

# General Parameters

## K-Factors

The following K factors were adjusted as calibration adjustment factors to reduce non-work trips:

**Between Salt Lake and Utah counties** - SL\_UT\_KFAC\_Wrk = 1.00 - SL\_UT\_KFAC\_Oth = 1.00 - SL\_UT\_KFAC\_Trk = 1.00 - SL\_UT\_KFAC\_Ext = 1.00

**Between Salt Lake and Davis counties** - SL\_DA\_KFAC\_Wrk = 1.00 - SL\_DA\_KFAC\_Oth = 1.00 - SL\_DA\_KFAC\_Trk = 1.00 - SL\_DA\_KFAC\_Ext = 1.00

**Between Box Elder and Weber counties** - WE\_BE\_KFAC\_Wrk = 1.00 - WE\_BE\_KFAC\_Oth = 1.00 - WE\_BE\_KFAC\_Trk = 1.00 - WE\_BE\_KFAC\_Ext = 1.00

## Other

- Removed % Period and PA factors
